

Erika's Lighthouse Official Empowerment Club Requirements

- Create a Resource Portal Account**
 - All material will be accessed through the Resource Portal
 - Club Advisors are required to have a Resource Portal Account
 - Club members (students) are encouraged to have a Resource Portal Account so that they can access materials and the ChangeMakers Network

- Register your Official Empowerment Club***
 - When naming your Empowerment Club, Official Clubs must use "Erika's Lighthouse" in your club name and any materials created (for example: "Erika's Lighthouse + Club name of choice")
 - Student Club members are highly encouraged to have a Resource Portal account so they can communicate with other club members across the country on the Erika's Lighthouse ChangeMakers Network

- Mental Health Student Leadership Academy:**
 - Student club members must have some mental health training
 - Mental Health Student Leadership Academy video modules & discussion questions can be found under the "Empowerment Clubs (Official and Affiliate) tab in the Resource Portal
 - Clubs can use what is provided (our Mental Health Student Leadership Academy video modules & discussion questions) OR create your own club member-led education with Erika's Lighthouse-provided slides and talking points.

- Lead at least one Awareness Into Action Activity per quarter**
 - Awareness into Action Activities should be schoolwide
 - Clubs can use an activity provided by Erika's Lighthouse or one created by your club.
 - Awareness into Action Activities can be found under the "Awareness into Action Activities (AAAs) Tab in the Resource Portal and have activities sorted by type

- Fill out the Awareness into Action Activity Report**
 - Awareness into Action Activity Report is required for reimbursement
 - Upload any applicable receipts for reimbursement
 - Upload photos of the activity if you have some to show us how it went
 - Tell us what you thought of the activity and how it went
