

Erika's Lighthouse Official Empowerment Club T-Shirt Designs

Above photo shows Erika's Lighthouse provided-designs on colored shirts. You are responsible for ordering your own t-shirts.

We have designs available as .pdf and .png files. You can send these designs to a local or online printer to create your own Empowerment Club t-shirts.

If you would like to use some of your Club Grant money for shirts, we will do a one-time reimbursement up to \$75 (receipt required).
