Index cards (3x5 or 5x8) or 8.5 x 11 sheets of paper/card stock

Magazines

Markers, colored pencils, or crayons

Scissors

Glue

Glitter tape to frame the vision board

Mini vision boards are a great way to kick off 2019. You can see the three size options (3x5, 5x8, or 8.5x11) pictured above. Students could even hang the two smaller sized vision boards in their lockers. Glitter tape is a fun way to frame the vision boards for a finishing touch.
